**Abstract:** The Electronic Visa Update System (EVUS) allows for the collection of biographic and other information from nonimmigrant aliens who hold a passport issued by an identified country containing a U.S. nonimmigrant visa of a designated category. Nonimmigrant aliens subject to this requirement must periodically enroll in EVUS and obtain a notification of compliance with EVUS prior to travel to the United States. The EVUS requirement is currently limited to nonimmigrant aliens holding unrestricted, maximum validity B–1 (business visitor), B–2 (visitor for pleasure), or combination B–1/B–2 visas contained in a passport issued by the People’s Republic of China.

EVUS provides for greater efficiencies in the screening of international travelers by allowing DHS to identify nonimmigrant aliens who may be inadmissible before they depart

for the United States, thereby increasing security and reducing traveler delays upon arrival at U.S. ports of entry. EVUS aids DHS in facilitating legitimate travel while also enhancing public safety and national security.

### Recent Changes

On November 27, 2017, the Secretary of State designated DPRK, as a State Sponsor of Terrorism, or SST. Countries determined by the Secretary of State “to have repeatedly provided support for acts of international terrorism” are considered to have been designated as “state sponsors of terrorism.”

To meet the requirements and intent of the law and in light of the designation of DPRK as a SST, DHS is strengthening the security of the United States through enhancements to the EVUS enrollment.

Under the Emergency Clearance request process DHS has recently added DPRK to the following question to EVUS “Have you traveled to, or been present in Iran, Iraq, Syria, Sudan, Libya, Somalia, Yemen, or the Democratic People’s Republic of Korea (North Korea) on or after March 1, 2011? If yes, provide the country, date(s) of travel, and reason for travel.”
